

# GET REVOLVED

01

## What I do

Get Revolved create beautiful, immersive 3D virtual tours aimed at saving you time and money. Transmit the atmosphere of your space to clients who browse through your website from the comfort of their home.

02

## Technology

I use the latest in 3D virtual tour photography. A system that creates an accurate representation of your property, be it a commercial or residential space.

03

## Why me?

With a background in photography, you can be assured that the angles, height, walkthrough are all where they should be. Competitively, I offer a lot more for your money too, including after sales customer service for the long term.

# The Service

## What's included?

Get Revolved provide a quick and honest service so you can chat with me anytime online or over the phone. I have a transparent pricing structure and free assistance in any direction before and after the job - all packages are topped off with a bunch of freebies!

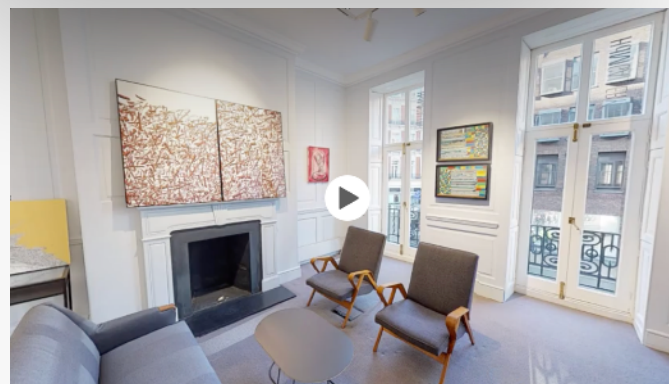

## 2D Floor Plans

I include 2D black and white schematic floor plans at no extra cost on any shoot above 3000 sqft. Easy to edit and colour to spec.

## 2D Photography

In addition to your virtual tour, I will send you some stunning hi-res images from the shoot to give your marketing a boost.

## Social Media Teaser

You will also receive a short rotating video for social media to help you stand out from the sea of competitors.

**\*\*custom videos available on request for an additional cost.**

# Use Cases

# The Costs

I stay as competitive as I can without sacrificing meals. There are a few out there that will undercut me, as always, but think about quality over quantity when you book with Get Revolved.

## Hosting

£9.99 per month for up to 20 live models on your account. £19.99 thereafter.

< 3000sqft

12p psf

Minimum rate - £250

≥ 3000sqft

10p psf

## Matterport vs Get Revolved Hosting costs

Matterport charge a monthly cost of **£55** to host up to 25 **active** tours. 1 additional tour will change your monthly cost to £99  
Hosting with Get Revolved will save you at least **£35** per month. If additional space is required, I will offer you a bespoke deal

# Before We Shoot

IMPORTANT:

## TIDY UP

Things like chairs tucked in, blinds rolled, bins empty and bathrooms clean. Just make sure the space is set up as you would like it to be captured. There is **no editing** afterwards.

## TIMING

Sometimes shoots can take a lot longer than expected. Could be technical, could be that there are awkward areas to capture, please bear that in mind. **Roughly 1 hour per 2k sqft.**

Get Revolved are not responsible for any cleaning or removal of heavy goods.
